Number of workers employed 20 i. Type of Establishment (factory, mine, wholesaler, etc.) i. Identify principal product or service Member Trade Association Networking and educational events for members k. The above-named employer has engaged in and is engaging in unfair labor practices within the meaning of section 8(a), subsections (1) and (list subsections) 8(a), 1 of the National Labor Relations Act, and these unfair labor practices are practices affecting commerce within the meaning of the Act, or these unfair labor practices are unfair practices affecting commerce within the meaning of the Act and the Postal Reorganization Act. 2. Basis of the Charge (set forth a cleer and concise statement of the facts constituting the alleged unfair labor practices) When NVTC discovered I had filed a suit on November 6, 2012, to preserve my unpaid overtime under FLSA, they started a campaign of intimidation and retaliation against me and other employees in order to build a case for termination against me. I was ceremoniously fired on (b) (6), (b) (7)(C) 2012 for filing that suit. Since then, NVTC has silenced several employees with whom I had been discussing and communicating regarding our wage and hour issues with them. In response to my judicial claim for relief for retaliatory discharge (under FLSA) against NVTC, on February 26, 2013, NVTC filed an Affirmative Defense, in the U.S. District Court, claiming that I was not fired in retaliation for the lawsuit, but that I was fired for: (a) [allegedly] "revealing confidential compensation information to a coworker," (I revealed my own pay only) and (b) allegedly "harassing" a coworker, by continuing to communicate with that coworker, (in reference to communication that was specifically in regard to NVTC's illegal and unfair wage practices) 3. Full name of party filing charge (if labor organization, give full name, including local name and number). (b) (6), (b) (7)(C) 4a.
